

Political Parade

By CLEM WHITAKER

The 1940 census gave California a population of 6,885,000 civilians and 22,400 in the armed forces. Today, the total of these two categories is well in excess of 8,000,000—and still rising!

These newcomers, too, are spenders. They need more laundry work, for instance. They eat more restaurant meals. They are on the move continually—to and from their daily jobs, hunting better jobs and better housing, going on week-ends, or traveling to distant points on ships and

troop trains.

And they've upped the State's food consumption nearly fifty per cent.

As a consequence, California is suffering from such an acute attack of growing pains that the State's continued all-out participation in the war effort is seriously threatened, unless practical steps are speedily taken to relieve the situation!

Boiled down to essentials, that is what the Senate Committee on Economic Planning—composed of Attorney General Robert W. Kenny and Congressman John Phillips, both former members of the State Senate—has reported to the Legislature after months of exhaustive study.

Even without any National shortages of food, labor, goods and transportation, reports the Committee, it would have been extremely difficult for California to adjust its economy to serve the needs of so many new people in two and one-half years. And with rationing, priorities, price ceilings, the rubber shortage and dim-outs, the job has become almost impossible.

The committee issues a stern warning that California, even with a normal farm labor supply, could not produce enough farm products to take care of the 50 per cent increase in the State's food consumption, and the government's quota for lend-lease and the army. And it emphasizes that California farm labor has been drained away by the military

services and by war factories, and that California farmers can't get desperately-needed equipment. The Federal Government, says the committee, simply must take steps to assure farmers their essential manpower and equipment, if chaos is to be averted.

The most ominous news on the transportation front, reports the committee, is the delay in the synthetic rubber program of the Federal Government. Highway carriers, in California, it finds, handle two-thirds of the total value of intra-State freight business—and California railroads, with the present abnormal demands for trains for movement of troops and military equipment in inter-State commerce, can't fill the gap if truck facilities fail for lack of tires. This problem, too, is aggravated, the committee reports, by the fact that the present 35-mile speed limit is not practical for trucks or buses, and actually is causing a waste of rubber and transport vehicles. The committee then suggests that the Office of Defense Transportation confer with the State Railroad Commission regarding modification of the 35-mile speed limit for commercial vehicles.

ST. RITA'S SOCIETY TO HAVE CARD PARTY

St. Rita's Altar Society will hold a card party in St. Rita's Auditorium, Tuesday, Feb. 23, at 8 p.m. Door and table prizes will be given to lucky ticket holders. Tickets may be purchased at the door.

CITY ASKS COUNTY'S AID IN CURBING STORM WATERS BUT FACES DELAY AGAIN

Sierra Madre has made an application to the county government for assistance in eliminating the cause of property damage suffered here from storm water runoff during the record January 22-23 storm. But the damage was so inconsequential in comparison with that suffered in many other

communities that the prospects for early relief are not rosy, according to engineers of the county Flood Control District sent here this week to check the situation.

Practically all of the damage here was caused from the torrents that gushed out of Bailey and Auburn canyons, sweeping over lawns, orchards and gardens in the northern section of the city and for a time threatening serious damage to residences at the head of Lima st., Auburn and Grand View aces. Eventually the little rivers that flowed down Lima st. and Auburn ave. carried many tons of silt and muck onto the streets below and rushed on down to block traffic on Foot-hill blvd. and other thoroughfares in the valley.

Engineers figure Sierra Madre can handle the situation simply within its corporate limits, but it would be necessary to divert the runoff from its natural channels and when it reached the south city limits it would tear through and destroy much valuable property below, bringing many damage suits that would cost the taxpayers a pretty penny.

What Mayor Schwartz and the city council proposed to the county is that the it provide a storm drain that would carry the water from the Sierra Madre city limits beyond Foothill blvd. and Huntington dr. to the San Gabriel stream bed. This proposal has been under consideration for many years, proposing the cost be shared by Sierra Madre, the county, Arcadia and the Santa Fe R. R., but for some reason has never been acted upon.

Engineers say it would be costly and out of the question just now when hard hit communities like Altadena, Arcadia and other towns must be given protection for lives as well as property.

Several hundred people had to be evacuated from the Rubio canyon area in Altadena and the property damage was enormous. The county has moved in to correct that situation. It will come to the relief of Arcadia where flood waters jumped the Santa Anita control channel. It will cost a huge sum to repair damage to the Aroyo Seco control channel where storm waters ripped huge sections of masonry out and endangered many residences. Since no loss of life was threatened here and the property damage was not great, the engineers say Sierra Madre will probably have to wait until the more urgent needs are met.

Meanwhile property owners in the northern end of Auburn ave. are seriously discussing the formation of an improvement district to undertake a project that

"THAT'S THE KEY TO VICTORY"

will solve their problem at their own expense and prevent damage in that area from future storms. Such a district was formed many years ago by residents of the North Sunnyside ave. district, since when they have escaped all harm in the most storms.

Investigation of the damage in Bailey canyon by the engineers showed the road built through the canyon several years ago was gouged out, leaving a ravine in its place. The canyon floor is strewn with huge rocks and boulders and the amphitheatre, dressing and rest rooms were all washed out and away, along with thousands of young trees planted when the city with WPA funds turned the canyon into a park.

Lost and found columns of Tokio newspapers are crowded these days. Every time an American buys a War Bond, the Japs lose face. Buy your 10¢ every pay day.

Big Boost In 1943 Funds of Red Cross

Organization's Requirement
120 Per Cent Above
Donations For 1941.

California's part in the \$125,000,000 Red Cross War Fund for 1943 will be approximately 120 per cent more than the 1941 membership and contributions, according to A. L. Schafer, Pacific Area Red Cross manager.

Mr. and Mrs. Percy C. Kortkamp entertained over the weekend—Mr. and Mrs. Perry Kortkamp and son Ronald from North Hollywood, Mr. and Mrs. Robert E. Burris and son Larry from Los Angeles, Mr. and Mrs. J. O. Kortkamp of Long Beach.

Mrs. W. H. Spillar, former Sierra Madre resident who lived at 196 W. Montecito ave., left Tuesday evening for her home in El Paso, Tex., after visiting friends here and her sister in Glendale. She brought greetings to friends here from Miss Viola Backes, former member of the NEWS staff, who has been connected with the Red Cross in El Paso since leaving Sierra Madre.

Mrs. Emily Moyer and daughter, Mrs. May Moyer Barlow of 20 1/2 West Grand View ave., spent the weekend with Mr. and Mrs. Earl Moyer of Alhambra.

Mr. and Mrs. Albert J. Barkman of 40 South Michilinda blvd., were Sunday dinner guests of Mr. and Mrs. G. A. Klenherd of Arcadia.

Mrs. R. M. Olson who has been visiting her sister, Mrs. E. H. Gerty of 20 West Grand View and other members of her family in San Diego, will return to her home in Portland, Ore., this week.

Mrs. Howell N. White of Lakeville, Conn., and Miss Florence Davidson of New York City, arrived here Friday to spend two months with Mr. and Mrs. J. Howell White, Jr., of 68 East Mira Monte ave.

Miss Patricia Coates of New York, formerly with the American Actors Company of New York City, a friend of Mrs. John Ort of 77 East Laurel ave., has moved to this city and gone into a defense industry.

Mrs. Thomas O. Falconer of Los Angeles visited with her mother, Mrs. E. H. Gerty of 20 West Grand View ave., on Friday.

Mrs. Josephine E. Marr of E. Sierra Madre blvd. and Mrs. Doris Gullixson are spending a few days at Manhattan Beach.

Mrs. Fred McCauley of Peoria, Ill., and Mrs. Jack Redmond, of Duluth, Minn., are in California to visit their brother, Pvt. Donald Cameron at Camp Santa Anita, where house hunting in Sierra

The 1943 goal in the seven states and Alaska comprising the Red Cross Pacific area, it was announced here, is \$13,289,700. Citizens of California contributed \$1.02 per capita in the last War Fund campaign which opened December 7, 1941. Carmel Red Cross Chapter topped the 125 California chapters with per capita giving of \$4.16. Chapters above the state average, in descending order, were: Martinez, San Francisco, Claremont, Pasadena, Los Gatos, Monterey-Pacific Grove, Santa Barbara, Vallejo, Palo Alto, Berkeley, Walnut Creek, Santa Monica-Ocean Park, Sierra Madre, Cloveland, San Mateo County, Oakland, Alameda, Long Beach and Los Angeles.

"Our goal," Mr. Schafer said, "is based upon realistic estimates which careful study show are actually needed to meet the heavy wartime obligations and responsibilities of the Red Cross. This sum covers local, national and international wartime needs of the organization for one year."

"Of the total goal, \$45,000,000 is the sum required by the Red Cross Chapters to finance their work in behalf of families of servicemen. The remainder, or \$80,000,000, will go to the National organization, which however, required one hundred million dollars to finance its national and international program. The difference will be met by a balance of \$20,000,000 from the first War Fund which will be applied to the 1943 budget."

More than 65 per cent of the amount required by the National organization has been budgeted for direct national services to the armed forces, Mr. Schafer said.

Madre yesterday, having decided to remain here indefinitely. They think this is the nation's most attractive home community. Mr. and Mrs. Percy Kortkamp of 32 Park ave., honored the first wedding anniversary of Mr. and Mrs. Robert E. Burris with a dinner party at the Florentine Gardens in Hollywood.

Warren Jones, former president of the Sierra Madre Junior Chamber of Commerce who has been in Miami, Ariz., for several months, came home Monday to visit his parents, Mr. and Mrs. Ralph M. Jones of E. Alegria ave., and will spend a few days here.

Stanley Geller, son of Mr. and Mrs. George Geller of 438 East Montecito ave., was graduated from U.C.L.A. Saturday. He will leave the latter part of February for New York where he will enter training in the Flower and Fifth Ave. Hospital Medical School. Mr. Geller, who is stationed with the Navy in San Francisco, was given special leave for the occasion.

Sierra Madre friends learned this week that Mr. and Mrs. Bill Edwards, former residents here, have moved to Bloomington, near Riverside, where they have acquired a citrus ranch. Mr. Edwards has accepted a responsible position at the new Kaiser steel plant at Fontana. Mrs. Edwards is the former Hazel Ferguson, who was one of the most active members of the Woman's Club and has a host of friends here.

Statement To Calm Motorist's Fears

Motorists were advised by the Department of Motor Vehicles this week not to be concerned if the 1943 registration cards they are now receiving in the mails do not show the amount of fees due for 1944 or the type of gasoline ration coupon book assigned them. It was explained that fees for 1944 were not placed on the cards because the present rubber situation made it impossible to estimate the market value of vehicles so far ahead.

Motorists will be notified some time next Fall by post card of the amounts due after more is known about the possibility of obtaining new cars or retreads for civilian owned vehicles.

GIRL SCOUT NEWS

Brownie Scout Troop No. 6 under leadership of Mrs. R. W. Carlson and Mrs. J. S. Miller visited the Glenview Dairy Friday. At the January party the girls were entertained by Mrs. Walter Blixt and Mrs. Walter Nollac.

Symphony Concert Sunday Is Free

The Pasadena Civic Orchestra, Richard Lert conducting, will present the third free public concert of its fifteenth season, at 3 p.m., February 14, at the Pasadena Civic Auditorium. There will be a short community sing preceding the concert. Soloists for the afternoon are David Frisina, violin and Cecil Bonvalot, viola.

A.L.A. Activities

On account of illness at the Whiteley home our last meeting was held at the home of Mrs. Ralph Koon, with a goodly attendance. Out next regular meeting will be held tonight, February 11th, at the home of Mrs. Tom Moon, Lowell ave., at 8 o'clock. Friday, February 12th, will be the eighteenth birthday anniversary of our American Legion Auxiliary Unit No. 297.—Maybelle C. Baker, press-chairman.

STATE GASOLINE TAX AND SOME MEDICAL EXPENSES MAY BE DE- DUCTED FROM INCOME TAX

The California gasoline tax of 3 cents per gallon may now be deducted on 1942 income tax returns, according to a bulletin just issued by the Internal Revenue Department. No deduction may be taken for the Federal gasoline tax of 1 1/2 cents per gallon.

Explanation of the new income tax deduction allowable for "extraordinary" medical expenses paid in 1942 has been issued by Nat Rogan, collector of internal revenue for Southern California. "A great number of taxpayers," said Rogan, "are taking deductions in full for all their medical expenses last year. This is incorrect and will result in our demand for more taxes when their returns are checked."

"The law allows a deduction for that amount of medical expenses in 1942 which exceeds 5 per cent of the taxpayer's net income. Thus, the taxpayer must add all his medical and dental bills together and compare them

with his net income. If they were more than 5 per cent he may take the excess, and only the excess. If they were less, he is allowed nothing.

"If a taxpayer's total income last year was \$2500.00 and he has allowable deductions of \$300, his net income was \$2200. If he spent \$200 for doctors and dentists and health and accident insurance, he will be allowed to deduct \$90—representing the amount over \$110 or 5 per cent of \$2200. If he spent only \$100 he would be allowed no deduction."

"The term 'medical expenses' includes amounts paid for the diagnosis, cure, mitigation, treatment, or prevention of disease, or for the purpose of affecting any structure or function of the body—excluding amounts paid for accident and health insurance," stated Collector Rogan.

Church Women Plan Unusual Program For Next Tuesday

The Woman's Society of the Congregational Church will hold its monthly study club meeting Tuesday, February 16, following a luncheon in the church hall at 12:30. The Mary Martha Circle is responsible for the luncheon service under the chairmanship of Mrs. Walter Brown. Reservations should be made by telephoning Mrs. Ralph Lord at 5596.

Members participating in a program on the subject "Understanding Our American Neighbors," are Mrs. W. S. Hull, Mrs. W. J. Miller, Mrs. Adria Johnson and Mrs. Converse Twycross. Members will respond to a query, "Who Are Our Neighbors?" as a roll call of American Nations is given by Miss M. Wallace. The answer for Mexico will be by Miss Margarita Wright, who for many years has been known as the "One Man Mission" for the Congregational Church in Mexico.

Another Clement May Program Here On February 20

A good entertainment is like a good book. You should be able to sit down and really enjoy it. And this is what you will be able to do on Saturday evening, February 20th at the Sierra Madre Womens' clubhouse, when Clement May, the eminent Dickensian, humorist, and entertainer, will present another of his programs, that have earned for him a worldwide reputation.

The program he will present will be an entirely new one, in which the characters of Sydney Carton, from Dickens' "Tale of Two Cities"; Nell's grandfather, and Quilp from the "Old Curiosity Shop" will be presented, in costume. Among the humorous items, he will tell further stories from the whimsical A. A. Milne, also The Denominational Garden from "Lovely Mary" by the author of Mrs. Wiggs of the Cabbage Patch, and a selection from the works of Don Blanding.

Tickets are on sale at the Sierra Madre Drug Store, and Hartman's Pharmacy.

AWVS Will Recruit Women Workers For War Industries

The American Women's Voluntary Services is appealing to women to enlist in essential war industries. In order to assist in the recruiting of women, the A.W.V.S. has established two counselling bureaus—one under the direction of Mrs. Grace Carpenter at 426 West 6th st., Los Angeles, the second under the direction of Howard Wright, of the Pasadena Unit, is located in the U. S. Employment Service, 745 East Green st., Pasadena.

The aim of this bureau is not only to counsel women as to what they may best do to most beneficially assist in Uncle Sam's all-out war effort, but, also, through co-ordination with the U.S.E.S. to secure work for them.

Thousands of women are needed in this vicinity. In order to meet the necessary quota it is imperative that all available women-power enlist immediately.

First Aid And Home Nursing Classes Being Organized

New classes in first aid and home nursing are being organized here and women who have not already qualified in these all important wartime activities are urged to register at Red Cross headquarters at once so that the classes may get under way as quickly as possible. It is required that a first aid class shall consist of 24 persons—men or women—before instruction begins and the best instructors are now available.

Another Artist To Make His Home Here

Bernardt Wall, nationally known etcher and authority on the life of Abraham Lincoln, spoke to the Sierra Madre Arts Guild on that subject Friday evening. His information was gained by research into the life of Lincoln in connection with his many illustrations of books on Lincoln. "Who's Who in America" lists Mr. Wall as an etcher of historical biographies since 1931.

He recently moved to Sierra Madre from Lime Rock, Conn., and plans to make his permanent home here.

RECEPTION AND TEA HONORS A NEWLYWED

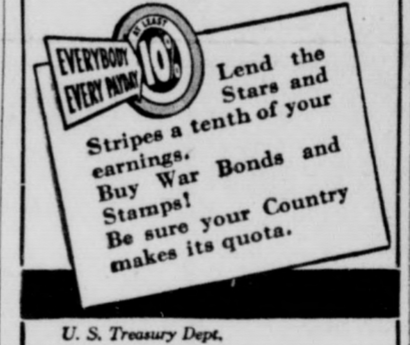

Mrs. Pauline Stamer recently entertained with a late Sunday afternoon tea and reception at her home at 196 North Adams st., to honor her new daughter-in-law, Mrs. Robert Frank Stamer, the former Miss Mary Virginia Greer of Colton.

Sixty friends came during the afternoon from Riverside, Colton, Pasadena and Sierra Madre. Presiding at the tea table were Mrs. C. T. Greer, mother of the bride, Mrs. Pauline Stamer and Miss Louise Stamer, sister of the groom. Mr. and Mrs. Stamer are now at home at 45 North Olive street.

But War Bonds will get
My savings, you bet—
Right up to a tenth of my salary!"

You, too, can help make Explosives to Blast
the Axis---

FROM YOUR EXCESS KITCHEN FATS
Did you know that fats are essential to the
production of glycerine, which makes ex-
plosives? All your waste fats are needed . .
desperately . . and NOW. Do your part,
save your waste kitchen fats, strain them
into clean cans, and when the cans are full,
take them to your meat market. Your effort
here is another step to Victory.
